**From I-495 or Route 3,** take the exit for the Lowell Connector. Once on the Connector, proceed to the end and turn left onto Gorham Street toward Lowell Center.

Continue on Gorham Street, which becomes Central Street, for approximately 3/4 mile and turn left onto Middle Street. Stay on Middle Street across Palmer Street, and turn into the first entrance to the bank's parking lot on the right. Proceed through the parking lot towards the blue fence and park in any of the spots in this section of the lot. (The lot is actually on Merrimack Street.)

Walk through the alleyway between the two buildings marked 5 and 6 on the map. Cross Palmer Street and enter 18 Palmer. Greeters will be present to guide you. Take the elevator to the second floor. When you exit the elevator, turn left and walk to the end of the hall. The Community Room is the very last door in the hallway.
